

Professional Multimedia Website/Ongoing SEO/Premium Listing

Professional Multimedia Website

With ongoing Search Engine Optimization and Premium Listing which provides you direct links to your own website. Your custom designed website may consist of up to 20 pages, search engine optimized, mobile version, interactive javascript navigation menu with graphics, online website form, video production, professional photography, hosting and up to one hour webmaster maintenance each month.

Your Premium Listing

Includes your Intro Ad on THREE county and THREE city pages of your choice. Also all CAP & BOLD links to your listing in our directory navigation.

We will place a video thumbnail next to your Intro Ad to draw more attention. Premium Listings & links to your own website are always just ONE click away from any page in the Directory!

Up to five large photos, PDFs, Custom Contact Form, audio file and more.

\$150.00 per month under one year contract. Call Cherry at (423) 883-6171 for no-obligation consultation to show what we can do for you!
